Dear Mr Tuckley,

RE: Tower Rewards

Further to my e-mail acknowledging your letter of 28 May, I confirm again that we look forward to hearing further on arrangements for meeting at ACAS.

The prime purpose in meeting will be to resolve the trade disputes that exist on Tower Rewards and we will of course need to ensure that the first part of the process focuses on that.

Fran's letter to you set out a proposal to focus on two key areas. One of those key elements is proposals around severance. Both UNISON and NEU still have a dispute within community schools as we believe that any change in the existing contractual arrangements will set parameters for schools. NEU also have members within the Council more broadly who are affected by the Tower rewards proposals. We would therefore also propose that the NEU are invited.

Yours sincerely

Helen Reynolds
